I, \_\_\_\_\_ am enrolled in a SELF –STUDY PADI Advanced Open Water Class. The ONLY way for us to conduct this class in 3 days is for you to pre read the assigned. Advanced Open Water Manual. **YOU MUST COMPLETE THE KNOWLEDGE REVIEWS IN THE BOOK PERTINENT TO THE DIVES THAT YOU ARE DOING EACH DAY.** We cannot start your class until this requirement is met. We have 5 instructors on staff and are open 7 days to help you with any questions you may have while studying. If you need to change the date of any of your dives, we require at least 24 hours notice. For dives cancelled within 24 hours or if you do not show up for a dive you will incur a \$100.00 fee

**Refund policy:**

Due to the limited capacity of each class, we do not offer refunds if you only complete a portion of the class. We will issue you a referral letter that can be used to complete your class at any PADI dive center world-wide with no expiration date (each dive center may have different fees to do this), or you may come back and finish the class within 2 years with us at no additional charge.

**Gratuities:**

As with any service orientated industry, tipping is customary. Your dive instructor is professionally trained and is here not only to teach you how to scuba dive, but also to ensure your safety and enjoyment. While this is voluntary, the normal customary amount is 10-15% of the class price paid.
